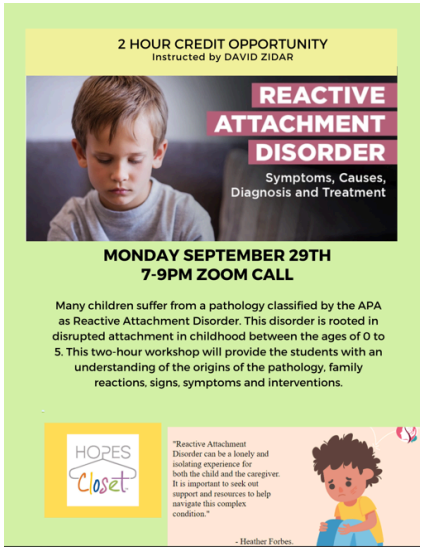
Foster Parent Support

Day Out with Dad
Families enjoyed a long, beautiful hike at Caesar's Creek! Led by Emily, the @getlivingguru, we explored amazing views, spotted local wildlife, and made memories together in nature!



Foster Parent Training

This month, several foster parents attended training on Reactive Attachment Disorder (RAD).
RAD is a mental health condition that affects a child's ability to form healthy, trusting relationships with caregivers. It typically develops in children under the age of five who have experienced severe neglect, abuse, or inconsistent caregiving. We're grateful to our families for investing their time in learning how to better support the children in their care.

Sponsor a Child at Christmas

We're looking for generous hearts to sponsor a foster child this Christmas. 🎄 While details are still being finalized, we expect the financial commitment to fall in the $50–$100 range, and that each sponsor will receive a wishlist from a child.

Email Liz@hopesclosetohio.org for more information.

Our next Foster Parent Info Session will be Thursday, October 30th at 7 p.m.

To sign up or get more info, email Liz@hopesclosetohio.org

Volunteer Spotlight

Darlene is one of our newer volunteers, but in her first year she has made a big impact! She is a shopping assistant and a sorter, and also helps out with restocking and anything else we need! We are grateful to her for being available to our foster families during evenings and weekends, for filling in when a shopping assistant is unable to make an appointment, and for providing excellent service to our shoppers! She really demonstrates a deep love of our mission and we are blessed to have her as part of our Hope's Closet family!! Thank you Darlene!
